Tatyana & Co. in Chicago!

In April, I fulfilled a lifelong dream of watching the renowned pianist Evgeny Kissin perform in Chicago. Three of my current students and two of my former students who graduated last year joined me on the trip, and it was an unforgettable experience to witness such a high-caliber pianist. I encourage anyone who has the opportunity to attend concerts, as it is a crucial part of learning music from experts in the field. ~Tatyana

Teacher Shout Out!

Nathan, one of our amazing piano teachers, had his very own graduation recital! It was incredible! We are honored to have him as an instructor at our school sharing his love for music!

Fall Semester

If your current lesson time will be affected by the new APS schedule, please let us know as soon as possible so we can actively work to adjust schedules for students over the summer and smoothly continue their musical journey with no disruptions! Please note, the lesson time you seek may not be immediately available.
