MEET JANE!

Jane herself is a piano student at the Albuquerque Institute of Music! After lots of hard work and practice, she is now becoming a member of our faculty. In addition to playing the piano, she enjoys playing tennis, reading, walking, and skiing.

SONOS DEL RIO

August 27 was a special day as Sonos del Rio, a new chamber music group formed by some of our teachers, gave their fabulous debut performance! The performance also featured duets by some of Jennifer's students. In addition, Jennifer blew us away with some exquisitely played solo pieces.

During this special class, some of Jennifer's students got to play for and learn from each other. Jennifer taught the students about communicating with your duet partner, performance techniques, and style along with so much more!

RED MAPLE MUSIC COMPETITION

Congratulations to Evan for winning first place at the Red Maple Music Competition!

WE WERE ON TV!

A few weeks ago, our wonderful piano instructor, Jennifer, and five of her students were featured on KOB4's evening news program! The segment highlighted the trip they took to London to perform at the Elena Cobb Star Prize Festival. It featured video segments from the students' performance and voiceover comments from Jennifer and two of the performers' father. What's next? Fox News? CNN? The Kelly Clarkson Show?
